Babylon Rod and Gun Club  
Manorville, Long Island  
New York 11949

Gentlemen:

Thank you for the kind invitation to the grand opening of your club facilities, but I must decline the offer since August 24, the wedding of one of our retired Officers (William Gunderson) daughter will take place.

I do remember the club for a long time starting with meetings in the old Brooklawn Hotel, Duke Dolimny with the purchase of Lakeland property and Cedar Island property - crow shots at Belmont Lake State Park, scooter shoots at Kings Park and Development of Lakeland property to a first class hunting preserve.

All these leave a lot of fond memories, but the crowning glory will be the opening of your new home with and all it's facilities.

Thank you again for the invitation and have a happy day!

Sincerely yours,

William G. Fiedler  
Environmental Conservation Officer  
Division of Law Enforcement
