Dear Joe & Friends,

On behalf of the Babylon Breast Cancer Coalition (BBCC) and those we represent, we would like to thank you for your generous donation of \$4000.00 raised from the September 18th 2016 "Break 'Em for Breast Cancer" event. We are so grateful for this wonderful donation!

The BBCC is dedicated and determined to raise breast health awareness and outreach for education, support and referrals. We provide a variety of no cost patient services including Lend a Helping Hand (which provides a variety of services including transportation to/from treatment, housecleaning and food preparation). The BBCC distributes the Gift of Health and Inspiration, a tote bag of educational resources designed to be a supportive companion throughout treatment and recovery. It is the hope of our programs to relieve some of the emotional and physical stress a breast or gynecological cancer patient faces on a daily basis while undergoing treatment and recovery.

Together we can make a difference in the lives of people facing cancer and in the lives of the people who love them.

FOR LIFE · FOR HOPE · FOR CHANGE · FOR THE FUTURE

Thank you again.

Sincerely,

Karen Kunkel
